

Spring is Here!

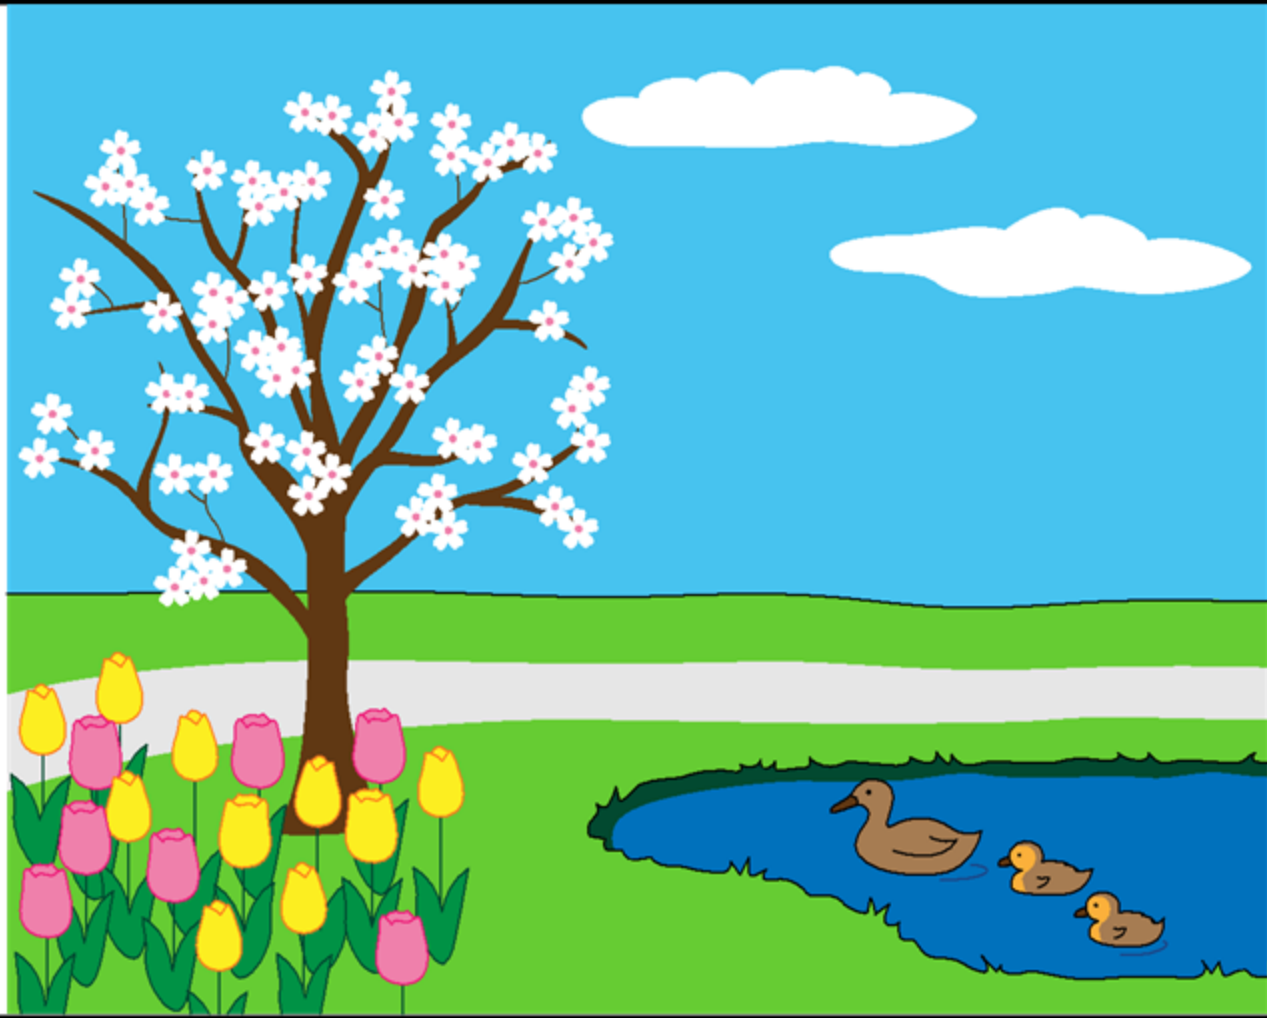

Spring is here - what do you see?

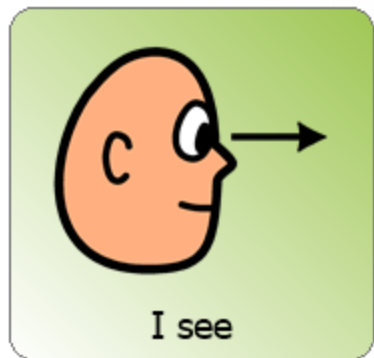

I see

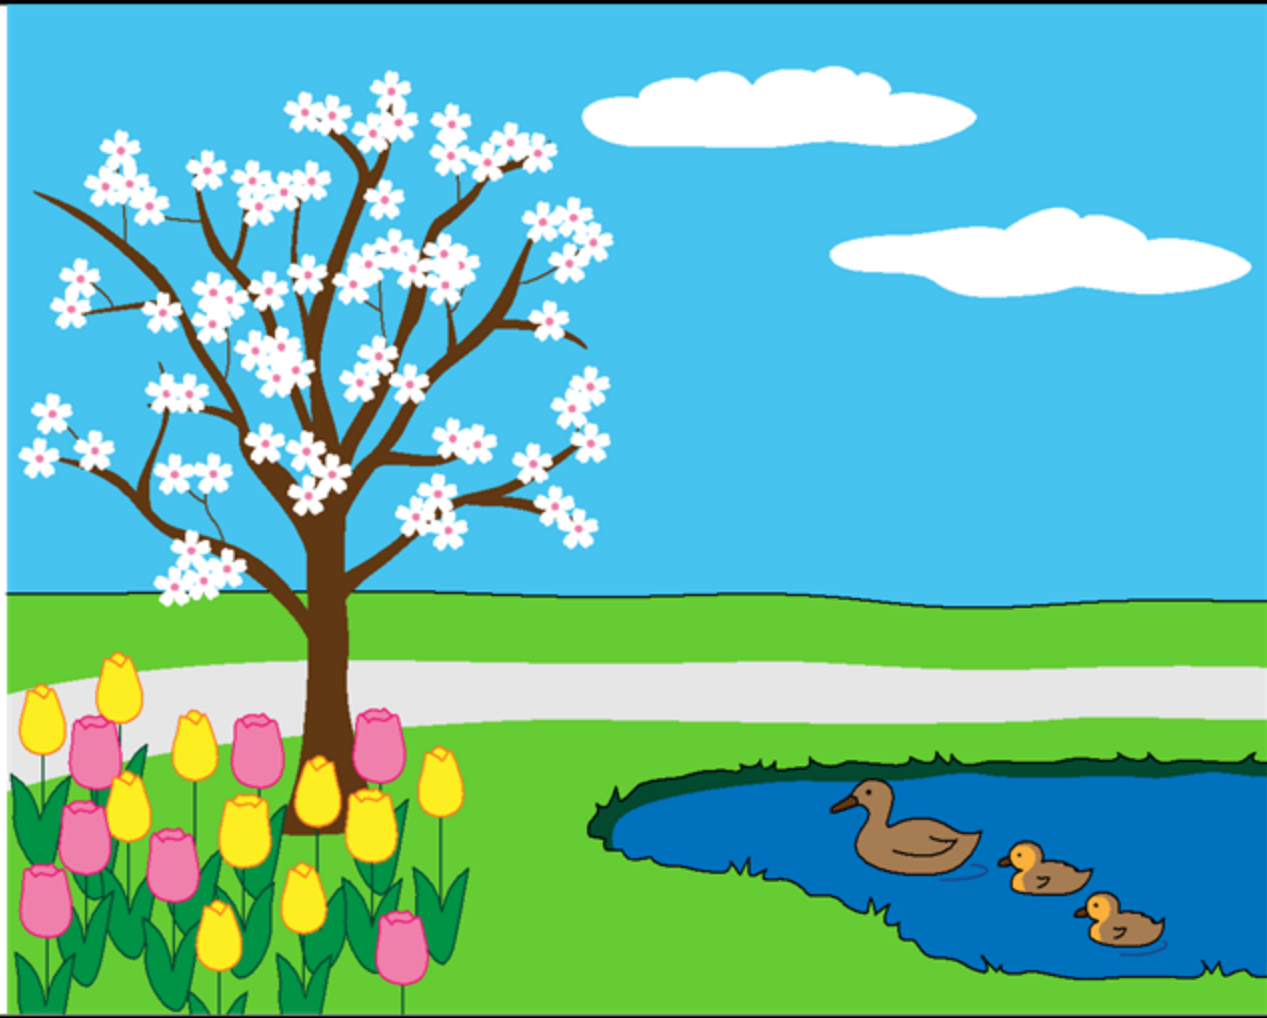

I see leaves growing on a tree.

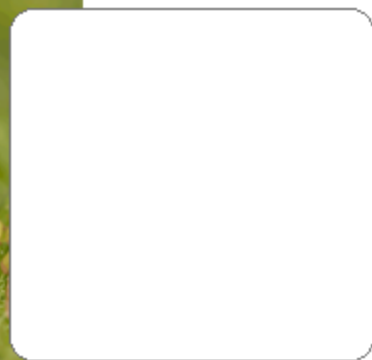

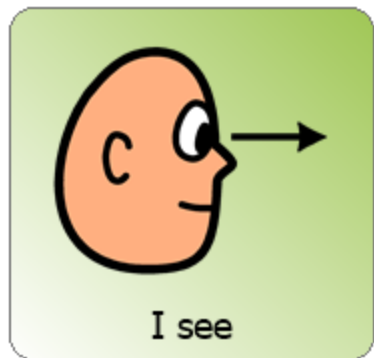

Spring is here - what do you see?

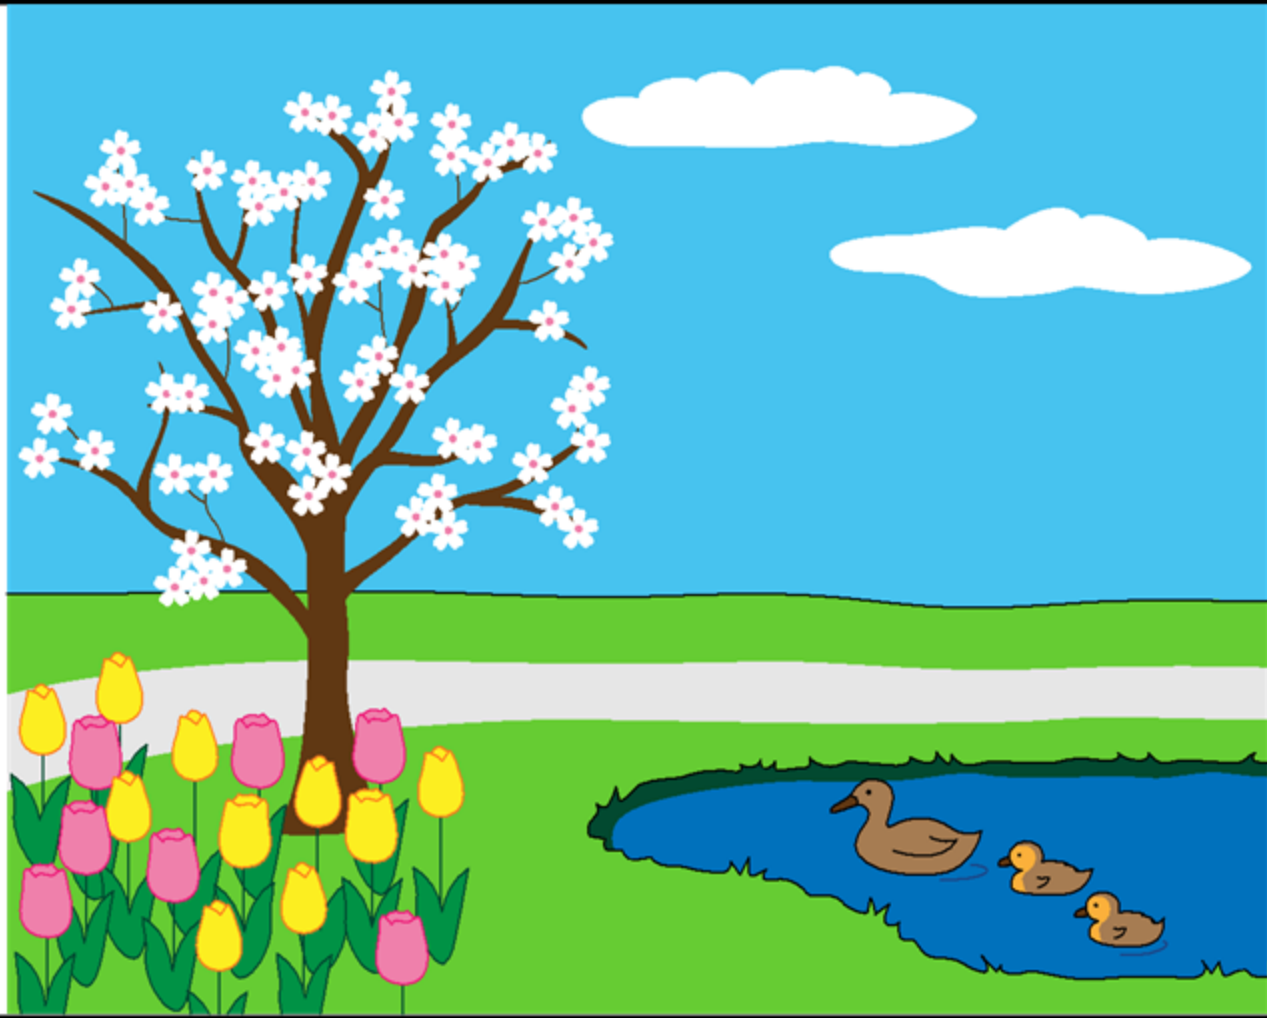

I see eggs in a nest.

Spring is here - what do you see?

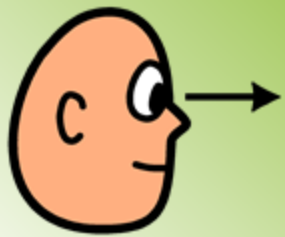

I see a rabbit.

Spring is here - what do you see?

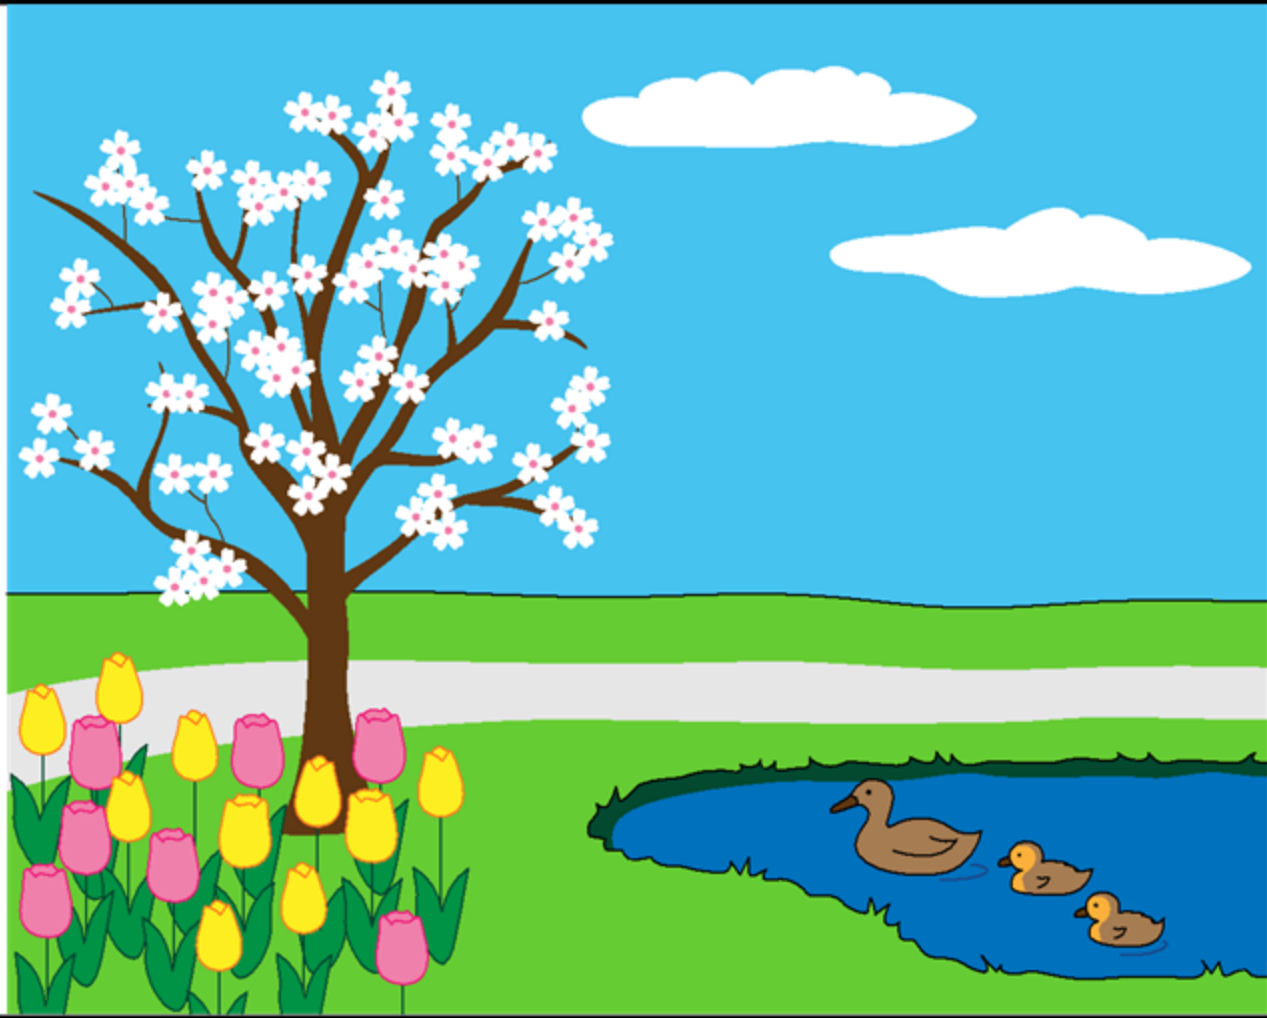

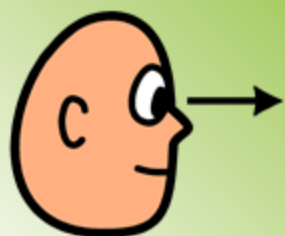

I see

I see rain.

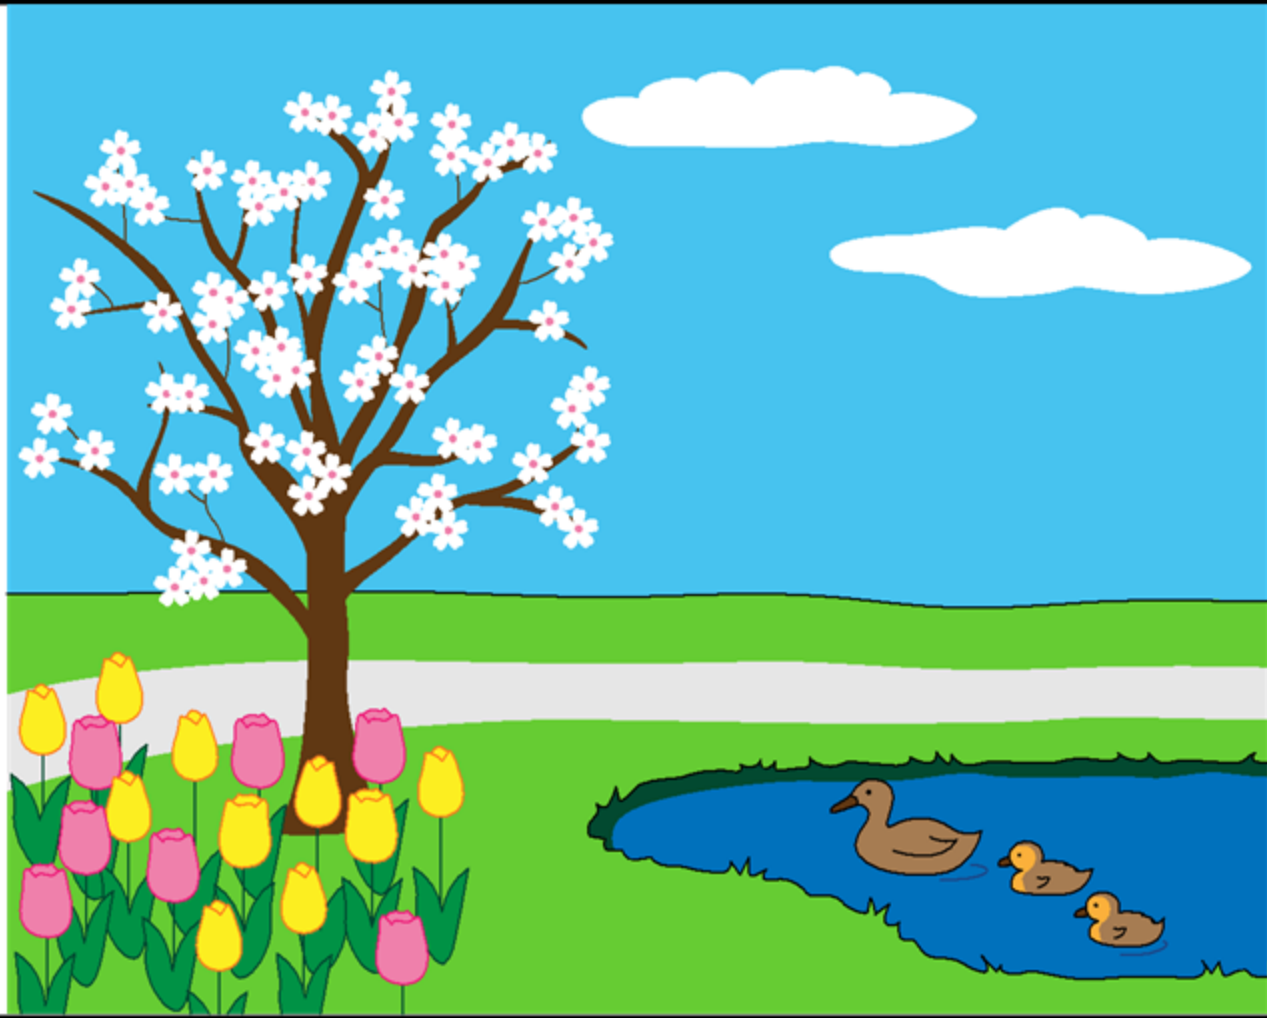

Spring is here - what do you see?

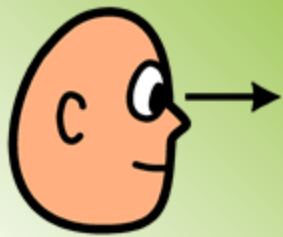

I see

I see green grass.

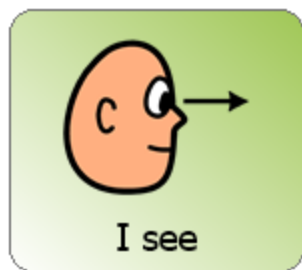

Spring is here - what do you see?

I see

I see flowers growing.

I see many things in spring!
